

Terra Fresca™

Glazed, Terra Cotta and Ceramic Planter Collections

- **Artisanal, hand-made glazed pottery designed in the United States!**
- Alfresco Home has over 30 years of experience in the fashion and production of pottery!
- **Variety of glazed colors providing multitude of coordinating choices.**
- Colors include: Royal Blue, Antique Jade, Cognac, Ross, Antique Cream, Black, Latte, Avocado and many many more!!!!
- Living glazes in larger pottery ensures uniqueness in each piece.
- **Various Eco-friendly collections uses a process that fires natural clay in rice-husk kilns.**
- In colder climates ideal care requires planter to be raised off the ground, covered or brought under-cover, away from the elements.
- **All outdoor planters come with drainage holes!**
- Timeless vessels that add color, character, elegance and sophistication to any patio or garden!
- Original designs which complement your complete outdoor living space!
- Terra-cotta pottery specifically is most porous and absorbs water for ultimate plant life.
- Terra-cotta pottery can freeze in winter conditions and must be stored for winter.
- Indoor collection designed using latest trend colors.
- Design options are vast, ranging from decorative swag to contemporary-clean lines.
- Thank you for choosing Alfresco Home's Terra Fresca pottery for your home!
